Prospective Foster Parent Virtual Open House

Have you ever thought about becoming a foster parent, or wondered what it means to be a foster parent?

Abbott House foster parents give children hope for a promising future. They help children build a foundation of trust, unconditional love, and family. Foster parents are essential to our mission and to the

future of countless children.

On Friday, May 21 at 6pm we will be hosting a virtual open house for prospective foster parents to learn more about the process. **All are welcomed and invited to attend!** Join via the zoom link [here.](#)

Today a Reader, Tomorrow a Leader!

Our friends at **Medwell Spa** in partnership with **Usborne Books & More** and **The Karma Project** recently held a book drive to benefit foster children at Abbott House. We were thrilled to receive such an important and essential donation, and can't wait to hand them out!

Did you know? According to the Young Readers Foundation, reading books reduces stress, helps you sleep better, improves health, and develops your imagination. Kids who read grow up to have better cognitive skills.

Thank you to all of our generous donors, you truly make a difference!

We hope you are remaining safe and healthy, and as always,

thank you for continuing to support Abbott House.
