Thank You For Helping Yousef

Back in February, we asked you to help an Abbott House family who desperately needed assistance to purchase a specialty car seat for Brendan, a 6-year-old non-verbal male receiving support services from us.

Thanks to you, we were able to raise the funds needed in only 24 hours!

"Brendan's" family was so overwhelmed by the support they received they wanted to share these photos and messages with you. Brendan's real name is Yousef, and here he is in his new car seat!!

Please know how much **YOUR** support makes all the difference to children like Yousef.

YOU make incredible things possible, and for that, we can't thank you enough.

[If you would like to make a donation to help support other children like Yousef with unique needs, click here.](#)

We hope you are remaining safe and healthy, and as always,
thank you for continuing to support Abbott House.
