

What's Happening at Abbott House

News Bites About Staff and Friends Who Help Us Meet Our Mission

Opuntia Visual + Abbott House Collaboration

We are honored to once again be partnering with [Opuntia Visual](#) (aka local artist Annabel Romero) on a project to benefit the children, adults, and families of Abbott House.

Opuntia Visual's U.S. Stamp project was completed in late 2020 and is a collection of individual hand-painted stamps featuring each state's flower.

What better way to help celebrate July 4th than with these unique state stamps?!

[Click here to learn about available bundles!](#)

100% of proceeds benefit Abbott House, and supplies are limited. Don't miss out on this awesome opportunity to own some beautiful artwork while doing good!

Foster Parent Appreciation Dinner

On June 24th, Abbott House hosted a dinner at Billy Joe's Ribworks Restaurant in Newburgh to celebrate all of our amazing foster and adoptive parents.

This dinner is an annual Abbott House tradition, and we were thrilled to be able to gather everyone together once again after missing 2020 due to COVID.

Foster and adoptive parents are integral members of the Abbott House family, and this evening is just a small token of our appreciation for all they do.

If you're interested in opening your heart and home to a child in need, we invite you to complete a foster parent application [here](#).

Starbucks Foundation Recognizes Abbott House

We are honored to announce that Abbott House has been chosen as a 2021 Neighborhood Grant recipient by The Starbucks Foundation!

Neighborhood Grants are intended to help build sustained local impact and inspire increased Starbucks partner (employee) engagement with nonprofit organizations. Over 7,000 nominations were received, of which 1,300 organizations were selected.

A huge thank you to Darren Morris, an adoptee and former Abbott House youth, for nominating us to receive this award.

In addition to being a Starbucks partner, Darren founded his own organization, [**A Foster's Hope**](#), which provides support, advocacy and programs that encourage, empower, elevate, and educate youth in the foster care system. ***Darren, thank you for being such a powerful and important voice for children and teens in care everywhere!***

Bikes Needed for Group Home

Summer has officially arrived and with it comes images of children laughing, playing, enjoying ice cream and of course, riding bikes. Our Pleasantville Group Home cares for both girls and boys up to 14 years old, and one of their most favorite things to do is go bike riding.

Some residents have their own bikes that they bring back home once they are discharged. Other residents do not. We would like to provide a set of bikes that will remain at the Home so every child who comes into our care, regardless of length of stay, will have a bike at their disposal.

Bike riding promotes emotional and physical well-being, helps kids develop social skills and can also be therapeutic. Plus, it's just a lot of fun!

[Please consider purchasing a bike from our Amazon wishlist.](#)

Your support will go a long way in helping kids enjoy being kids!

**We hope you are remaining safe and healthy, and as always,
thank you for continuing to support Abbott House.**

Have a wonderful 4th of July!
