News Bites About Staff and Friends Who Help Us Meet Our Mission

Abbott House earns three-year CARF Accreditation

We are pleased to announce that the Commission on Accreditation of Rehabilitation Facilities (CARF) has accredited our Residential and Group Home Services for children and adolescents with a three-year accreditation!

"This is a prideful moment for all of us at Abbott House," said James L. Kaufman, President and CEO. ***"During this intense, two-year journey toward accreditation, our staff have successfully demonstrated their compassionate commitment and innovative approach to maintaining the highest standards of care."***

Any organization receiving a three-year accreditation from CARF has put itself through a rigorous peer-review process and has demonstrated to a team of surveyors its commitment to offering programs and services that are measurable, accountable, and of the highest quality.

"I would like to specifically recognize all the group home staff, who despite great change and hardship, have remained tireless advocates for the youth and families that we serve," said Jeff Shapiro, Vice President of Residential and Group Homes.

A child who begins school with the right notebooks, crayons, pencils, folders, and other supplies is free to focus more on learning and less on worrying about how to get their homework done and keep up with their peers. YOU can make the difference!

Abbott House will be at the Irvington Farmer's Market this Sunday from 9am - 1:30pm!

Stop by and see us at the Community Table to learn more about what we do, our presence in the community, and ways to get involved.

Don't miss the chance to view some incredible art made by children in care. Plus, everyone who visits our table by will get a chance to learn how to make origami hearts (great activity for kids)! We hope to see you there!
