"Hall of Dreams" Gallery Opening & Donor Reception

On January 19th, Abbott House will host an opening reception for the *Hall of Dreams* gallery located on our Irvington campus.

The Hall of Dreams was once an ordinary hallway nook until it was transformed into a whimsical space with hand-painted blue sky and white cloud ceiling tiles. The first art installation will be created and curated by talented children in our TRC program with the help of volunteer and teaching artist, Robyn Ellenbogen.

This gallery is an art-based, therapeutic initiative; a way for children and all individuals in our care to explore feelings through a creative lens.

We are excited to share the dedication of this space with all our loyal supporters who helped make amazing things happen in 2022.

Please join us for light snacks and refreshments and of course, beautiful art! Additional information to follow - check your inboxes for an invite coming soon.

Irvington HS Brings Holiday Cheer to Abbott House

A big thank you to the Irvington High School Wind Ensemble and Choir for putting on a beautiful holiday concert for the children in our TRC Program and adults in our Westchester DayHab!

These talented students dressed in festive attire and brought tidings of holiday cheer. After a quick warm-up, they performed classic and modern holiday melodies - and even a few theme songs from movies like "Home Alone" and "Harry Potter."

For the big finale, tiny bells were passed out so the audience could join in the performance of holiday-favorite, "Jingle Bells!"

Thank you to Irvington High School Principal Jon Hirsch and Band Director Debra McCumber for making this event possible!

*"I hope you realize that every day is a fresh start for you.
That every sunrise is a new chapter in your life waiting to be written."*
