NPAC Sponsors Corvette Raffle to Make Promising Futures a Reality

Long before Hermel “Junior” Remache founded **Nanuet Prestige Auto Collision (NPAC)**, a thriving auto-body business on the verge of expansion, he had a mind for business and a heart for giving back.

Growing up in Washington Heights, Junior learned the value of hard work and discipline from his parents who immigrated to the United States from Ecuador. The couple worked hard to ensure that he and his five siblings would have every opportunity to thrive and be successful. There were times they struggled, but they always had each other. Junior's family foundation helped create a promising future for him - and he is excited to help Abbott House do the same for individuals in our care.

Thank you to everyone who made our Easter Basket drive a great success!

We are grateful to report that close to 350 baskets filled with Easter treats and trinkets were wrapped with love and received with smiles!

A special thank you to **The Church of St. Paul the Apostle** in NYC. They have been the main sponsor of this effort for many years. This year, generous parishioners collected supplies and wrapped over 200 baskets!

We also want to thank **Fordham University's Office of Campus Ministry**, **The Westchester Workers Circle School**, **Lori Cohen**, **Rick Hope**, and **Ilana Olivo** for their help in making this drive a success.

Cheers to you!
